Commissioner Kelly Tshibaka
Department of Administration

Dear Commissioner Anderson and Commissioner Tshibaka,

It has come to my attention that several AIDEA and AEA employees have made claims of a hostile work environment involving sustained verbal abuse and mistreatment at work. I have heard that complaints have been made to Commissioner Anderson about these concerns and those complaints have been referred to the Department of Administration's human resources section for investigation.

I am requesting information pertaining to these investigations. Please provide me with summaries of the factual circumstances underlying these investigations and their current status, with legally confidential information omitted or redacted.

Sincerely,

A handwritten signature in blue ink that reads "Bill Wielechowski".
